Apr 3 1905

Minutes of a board meeting held in the Office of F H Hunt Supervisor. A full board present including the ~~supervisor~~, Highway Com.

National Drill & Mfg. Co's representative from Rochester appeared before the board to demonstrate the good qualities of their machines over the Town of Urbana's road machines or the western wheeled Scrapers Co's machines, claiming their machines would scrap or cut hill roads better than machine the Town of Urbana owns.

Matter was left that the Com. try and sell two machines, one to Corporation and the other to H.M. Champlin and if said machines could be sold, the Town might buy one new National or hill Scraper. The best possible price, Cash any time this year for one machine $200. from Mf or Rochester fight to be paid by Town Mr Crane has later stated he would sell a new machine delivered here for $200.

Resolved that the Highway Com. be authorized and empowered to sell two of the Road machines and to purchase after the sale of said machine a new National R.S. of D B Crane of Rochester for $200. F O B Hport same to be approved by the Highway Com. after proper trial and the H.C. is empowered to pay cash for same out of any moneys there in his hands. Carried

Certain questions were presented by the state Engineer ~~[illegible]~~ which the board were unable to answer because this being the first year under money system consequently same was returned for explanation

Moved & Seconded that we adjourn Carr

The following agreement was signed by Town Board and Commissioner of the highways and forwarded to the State Engineer as per sec. 53 of the Highway Law:

First: That the roads of this town shall be divided into as many districts as may be necessary to have every mile of road placed in the best possible condition on or before the first of June of each year.

Second: That each district shall be placed in charge of a competent foreman who shall be provided with suitable tools, machinery and men to properly care for the roads under his charge.

Third: That as early in the spring as possible all waterways & culverts shall be opened and the work of perfecting the drainage and improving the surface of the road shall be commenced.

Fourth: The effort shall be made to reduce steep grades by cutting the tops of the hills and filling in at the bottom.

Fifth: That while the work is in progress all loose stones, sod, and organic matter must be removed from the highway.

Sixth That all noxious weeds and brush growing within the bounds of the highway shall be cut as provided by law, before the first day of July 401 (wo)

and again before the first day of September.

Seventh: That all loose stones lying within the beaten track of every highway shall be removed at least once every month as provided by law from the first day of April to the first day of December.

The above is part of the Agreement, (the principal part) The Town clerk being instructed to place in records the above part.

Signed
