1910.
Oct. 26 Special meeting of the Town Board, called by Geo. A. Austin, Overseer of Poor.

There were present Supervisor L. R. McCorn, Justices E. B. Larrowe, Adelbert Layton, and L. G. Webster.

Overseer Austin states that object of the meeting was, that Alzada Margeson had called upon him for help from the town, being pregnant with child. The Overseer of Poor asked for advice of the Board and further stated that there was a hospital or home for girls in this sort of trouble. A letter was then read from matron of such a home in Buffalo, which said, that they would take the girl, keep and care for her until her recovery after birth of child and then find a home for the child, if the mother so desired, all for the sum of fifty-five ($55.00) dollars; Overseer Austin said that amount or sixty dollars, which would take the girl to Buffalo, would be a great deal cheaper than he could care for her and find a home for the child.

A motion was made by E. B. Larrowe, and seconded by L. G. Webster, that Overseer Austin is hereby directed to draw an order upon Supervisor McCorn for the sum of sixty dollars ($60.00) payable to Alzada Margeson and given to her father Martin V. Margeson, he to take the girl to the home in Buffalo; and that the said Alzada Margeson and Martin V. Margeson, her father, enter into an agreement with George A. Austin, Overseer of poor of the town of Urbana, that this amount of sixty ($60.00) be all they would ask of the town of Urbana in this case. The motion was unanimously carried.

The agreement as stated above was then drawn and signed by all the parties interested, viz. George A. Austin, Overseer of the Poor of town of Urbana, Alzada Margeson and Martin V. Margeson.

The order was then drawn by George A. Austin and given to Martin V. Margeson (Alzada Margeson not being present at this time). This closed a matter that might have cost the town of Urbana a great deal more money.

Motion to adjourn carried.
