VanDusen & Busenbury:-

Corning, N.Y.

Gentlemen:-

This will serve as a notice to you that the Town Board of the Town of Urbana has been notified that lumber and trucks belonging to your firm have been obstructing the highway, that manner of piling and loading the lumber is dangerous and endangers anyone using the highway. You will be held responsible for any damage caused by the handling or storage of lumber obstructing the highway, as mentioned above.

Many complaints have come in from auto drivers because of the nature of the road at the place you are loading, there being a sharp curve and the road being narrow at that point, becomes blocked by your truck. Also obsene and abusive language has been complained of from your drivers.

Yours very truly,

J. M. Smellie
Clerk.
