

**SECTION 00 0000**  
**NOTICE TO BIDDERS – ADDENDUM #2**  
**November 11, 2020**

**TITLE: KEUKA LAKE WATERFRONT ACCESS IMPROVEMENTS**

1. Would aluminum be considered as an alternative material for the required truss pedestrian bridge?

Yes. Aluminum can be considered as an alternative material for the required truss pedestrian bridge. Cost associated with the alternative bridge design would be given in Item 2 (ADD ALTERNATE (Alternative Bridge with Structural Design, Engineer's Stamp)).
